A WORD FROM THE CEO

**We thank you
for your
persevering and
vital partnership
with Kapatid
Ministry in the
work God has
given us among
the marginalized
communities in
the Philippines.**

To our Partners in the Ministry,

We thank you for your persevering and vital partnership with Kapatid Ministry in the work God has given us among the marginalized communities in the Philippines. This year marks the second year post pandemic, a pandemic that brought significant challenges. The first and foremost was the passing of our founder, Bro. Titus Laxa. His loss is significantly felt even after 2 years since his passing. Despite this challenge, we have been blessed this year with reaffirmations of partnerships, reinforcements in people at work, and in reflecting what God has done for the past 20 years.

This 2023 we have been blessed by our local partners and donors (local and abroad) for their faithful partnership in the ministry. To date, we have 29 partner churches whose pastors and volunteers are faithfully advancing the Gospel of Jesus Christ in marginalized communities through the Feeding Program and the Child Sponsorship Program. Our local partners have been instrumental in ministering via Bible Studies among Senior Citizens and families of Overseas Filipino Workers (OFWs). All their work has been made possible by the prayers and support of our donors both local and abroad.

This year, we also have been blessed by the volunteerism of Bro. Arwin and Sis. Amy Calansanan, former OFWs from Malaysia. Throughout this year, they have been instrumental in ministering to our local partners, strengthening our partnership with existing donors, and promoting the work of Kapatid Ministry to new partners and donors. We praise God for their lives.

Lastly, this year marks the 20th year since Kapatid Ministry was started by Bro. Titus and Sis. Beth Laxa. We held a simple celebration on October 16, 2023. We invited former and present local partner pastors to the celebration to reflect on what God has done for the past 20 years, and to be exhorted by His Word to press on in advancing the Gospel to marginalized families in the communities, one family at a time.

To all our partners in the ministry, we thank God for you. This work is bearing fruit because Christ is our head, and we as His body, are moving under His gracious and firm command, to advance the Gospel to *“proclaim liberty to the captives and recovering of sight to the blind, to set at liberty those who are oppressed, to proclaim the year of the Lord's favor.”* (Luke 4:18-19)

OVERSEAS FILIPINO WORKERS AND THEIR FAMILIES

Ministering to OFWs Abroad

We work together with the churches abroad in starting Bible study groups to cater to OFWs within their sphere of influence. Our goal is to have a vibrant, Gospel-centered Filipino congregation in every place where OFWs are.

Connecting OFW families to local churches

Together with community partner churches, we visit Overseas Filipino Workers' (OFW) family and seek to provide care, counseling, and direction. We meet them on a regular basis to help build unity and love among family members and towards their OFW relatives.

ASSISTING AN OFW CHURCH IN MALAYSIA

From September 2022 to September 2023, we were able to assist a Filipino congregation in First Baptist Church, Subang Jaya. Their pastor had been let go by his company, resulting in him and his wife returning abruptly to the Philippines. As a result, they needed help in preaching and discipleship.

For a year, Pastor Jr was able to help in preaching twice a month and provide training in evangelism and discipleship for the Filipino members at First Baptist Church. The assistance went on until September 2023.

CONNECTING OFW FAMILIES TO LOCAL CHURCHES

VISITATION

This year, we were able to visit a number of former OFWs, in the northern Luzon, Central Luzon, Metro Manila, and Calabarzon.

CONNECTED TO LOCAL CHURCHES

The former OFWs together with their families that KMI visited during the year, were prayed for and connected to local churches.

FEEDING PROGRAM

Weekly Feeding

Weekly, our partner churches feed the children with nourishing food that helps keep them healthy and keep their minds sharp. This is done in partnership with organizations or individuals who provide support for the needy.

Gospel Lessons for Kids

Our partner churches conduct weekly Bible lessons for the children to impart to them the Gospel and to nurture in them biblical values. It is important to not tell them only how to live morally right, but also why we live morally right towards God, their families, and their communities.

ADVANCING THE GOSPEL IN A GOSPEL-STARVED COMMUNITY

BY PASTOR DANIEL PUDIQUET

Greetings in the name of our Lord and Savior Jesus Christ, I am Ptr. Daniel Jude L. Pudiquet, I am married to Charmaine C. Pudiquet, and I've been pastoring Blessed Truth Baptist Church Sta. Cruz for the past nine years.

By God's grace we were given an opportunity to serve Him and glorify Him in Santiago Lubao since last year 2022 of March. For a year of ministering in this place, we have observed that this community is multi-denominational, there are Iglesia Ni Cristo, other Christian groups, and majority are from the Roman Catholics.

Indeed, there are various religious beliefs in this place but we have observed that people from all age groups (children-elderly) have no knowledge or little knowledge about who Jesus really is, and this led us to have a burden to reach out for the people in this place with a vision to put up a Bible believing local church as well.

The feeding ministry program started with one boy, there was a boy who was just walking beside the road and Sis. Charm asked the boy, "Do you have any friends? Call them and we'll tell you a story, we'll play games and we'll give you some snacks to eat." On our first meeting we were able to gather 11 children, and by God's sustaining grace the feeding ministry continued up to the present, with an average of 20-30 children per meeting.

Through the feeding program in the area, the church members were given an opportunity to do evangelism through tracts distribution and basketball for young people. I remember one "lola" who told us that her grandchildren were attending the feeding ministry and one of her grandchildren often go home happy telling her "lola" the stories she has learned from their beloved teacher, and the little girl also show her "lola" the snacks that she often gets from the feeding ministry.

We have not less than 8 volunteers every time we go to the feeding ministry because our volunteers enjoyed the ministry to the children and the joy of serving Jesus were seen through their vibrant smiles. This ministry is a great blessing to the church because it provided growth for every believer. Through this ministry we were taught and encouraged to always give out time, talent, and treasures for the LORD.

We thank you very much for your partnership and prayers.

In Christ,

PTR. DANIEL JUDE PUDIQUET

CHILD SPONSORSHIP

Education and Health Assistance

These kids are provided with school materials such as pencils, pens, notebook, bags and other necessary stationery. From time to time, they also buy uniforms, shoes, and other school necessities. Sickness is also a very dangerous hindrance to a child's growth. We try to minimize the occurrence of grave illnesses by providing annual medical checkup and vitamins for the sponsored children.

Social and Spiritual Development

We work with our partner churches to nurture the kids in biblical truth through their children's ministry, small groups, youth groups, and discipleship programs. We believe this is the best way to develop in the hearts of the kids' right values toward God, their family, and their community.

THE LORD GIVES STRENGTH

BY SIS. QUEENIE MESIAS

Blessed day! I am Queenie C. Mesias, 22 years old. On June 20, 2023, I finished my bachelor's degree in business administration with a major in Financial Management at the University of Caloocan City. I am the youngest daughter among five (5) children of Yolanda C. Mesias, who's a single mother and a housewife, and my deceased father, Isabelo E. Mesias.

Back in 2014, through Christ in You Bagumbong, I was chosen to be one of the beneficiaries of the Child Sponsorship Program. I joined the program because I needed assistance with my school expenses. The program has really helped me get through my everyday life as a student. Even though I studied in public schools from elementary to college, I still have miscellaneous expenses to think of. The program has also brought me closer to God as I became part of the church's ministry ever since I was a kid, as this program encourages children to go to church and involve themselves in the ministry.

I can say that I've grown a lot from valuing myself, my relationship to God, my family, and my church. Now that I am finally a degree holder, I lift everything to God alone for the success I've celebrated. The Lord gave me all the things that I needed—the strength and wisdom to move forward and continue the dreams and desires that I have in my heart. All glory and praise belong to Him. Lastly, I want to give credit to my sponsor; I am beyond grateful for everything. I hope one day I can personally meet the person behind this. The journey that I've been through has been quite tough, and you're one of the reasons why I got through it, so I share with you, my success. Thank you very much.

THE LORD, MY PROVIDER

BY SIS. RHINA BERMEJO

My name is Rhina C. Bermejo, and I'm 23 years old. I studied hospitality management at Bestlink College of the Philippines in Quezon City. I am Ricky and Luna's firstborn child, and I am the first-degree bearer among my two siblings. My parents provided for me through their jobs as messengers and factory workers. I was 5 years old when I entered the Child Sponsorship Program, and I was in church preschool and kindergarten at that time.

The child sponsorship program is one of the reasons I was able to finish my studies because whenever I had school fees that we couldn't afford, the program always assisted me with it. The child sponsorship program had a significant spiritual impact on me, especially when I was a child. I made friends through fellowship or other church activities, and I also learned that God is always there to advise me and listen to my concerns. The CSP always advised us to be free from the cycle of poverty and help others break the cycle. I promised to finish my studies and to achieve my dreams so that I can have a better life with my family. My goal now is to support their needs and uplift their life. I will also help them send my siblings to school.

My family came to know the Lord through this program. They took me to church when I was a child and supported me by attending various CSP programs. I always cherish the moment that we had. I am thankful that I was selected as one of the sponsored children of the church and Kapatid Ministry. The church and Kapatid Ministry had lots of programs that guided us to grow in all areas of our life. They made a great impact on my life. Now that I graduated from college, I wholeheartedly thank the Lord for guiding me throughout my journey, I am grateful that He is always there when I'm in the middle of anxiety. I also thank the Lord for He is our great provider.

To my sponsor I would like to thank you from the bottom of my heart for giving assistance and spiritual support all throughout my journey as a student. I am so blessed that you came into my life, and I hope that someday I can thank you personally. You' will always be my inspiration to help others.
May the Lord bless you more!

A CHRISTIAN CRIMINOLOGIST

BY SIS. RENELYN BATOMALAUQUE

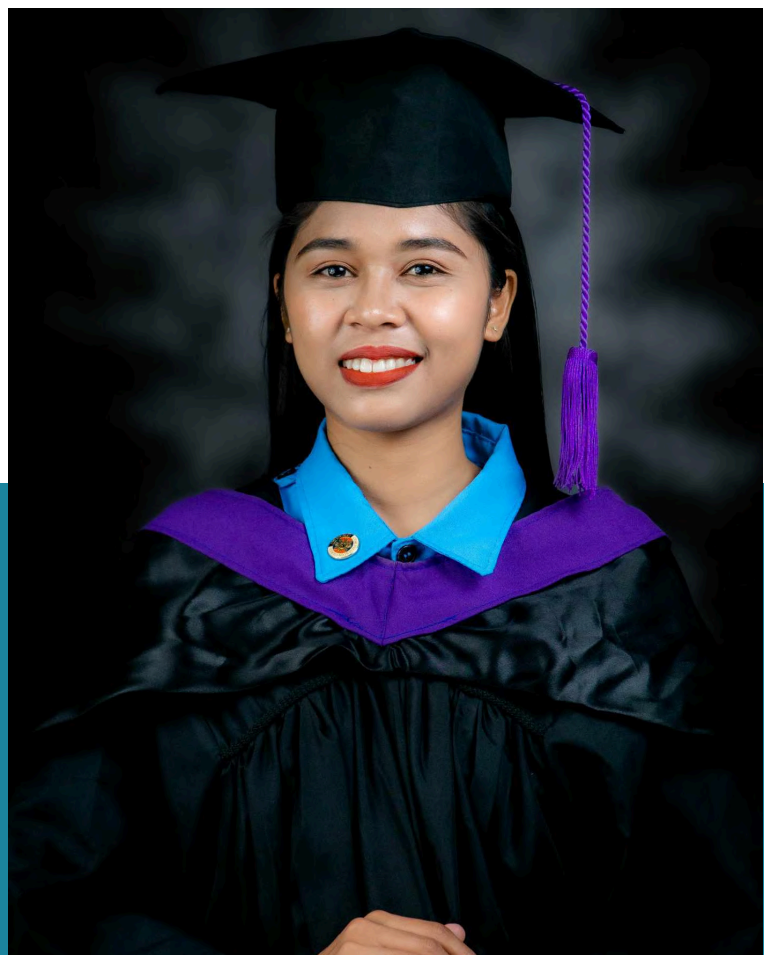

I am Renelyn Mallosa Batomalaque, a fourth-year Bachelor of Science in Criminology student at Negros Oriental State University (NORSU). Allow me to begin by thanking God for His grace, provision, and protection in everyday life. He deserves the highest praise and worship. To Kapatid Ministry and staff, thank you for allowing me to share my living testimony, even if only in writing. I am hoping to meet all of you in person.

I joined the Educational College Scholarship (ECS) program during my third year of college, during my second semester. On March 27, 2022, at exactly 4:19 p.m., I received a message request from Ms. Rhoro Añonuevo saying, "Congratulations! You have been selected as one of the recipients of Kapatid Ministry's Educational College Scholarship program."

I was surprised, and I thanked God for His goodness and unexpected blessings in my life. God is always on time because, at that moment, I had a lot of financial difficulties since my two brothers and I began staying at our boarding house in the city because they have limited face-to-face classes to attend and I needed to be in the city to have a stable internet connection for my online classes.

The ECS program is truly helping students who aspire to be successful in life. It served as fuel for poor students who were determined to complete their education. It was challenging and costly to finish your education when you were financially unstable, whereas when you were simply determined to cross the finish line, God would provide for all of your needs. Despite life's challenges, one thing I was certain of and grateful for was that I had God, a rich and loving Father. I am so thankful to Him for always providing and blessing me with scholarships and support that helped me with all of my needs, especially the ECS program, which assisted me financially every month to sustain my needs. Thank you, ECS program and Kapatid Ministry, for your significant contribution to my success.

I thanked God for His unexpected goodness and unexpected blessings in my life.

Allow me to thank Ate Amy and Kuya Arwin Calansanan for helping me become an ECS recipient. They introduced me to the Kapatid Ministry and assisted me in applying for its ECS program. I saw how eager they were to help me and the youth in Tacalan reach our dreams in life as they searched for different ways to help us in our educational need. I appreciate them for remembering, praying, and encouraging us along the way. Both of them played an essential part in our success. Thank you, Ate Amy and Kuya Arwin; we miss you already here in Tacalan.

My prayers and hopes are that God will help me grow in His words and strengthen my relationships with Him. I ask and pray to God to help me pass the upcoming criminologist licensure examination because I can do nothing without Him. As I prepare for this journey, please join me in praying for guidance, wisdom, and provision. Whatever life throws at me, may my soul find joy in praising and worshiping God, the author of my life. I am hoping that God will answer all of my prayers in accordance with His will and plans for my life. To God be all the glory, Amen!

It was challenging and costly to finish your education when you were financially unstable, whereas when you were simply determined to cross the finish line, God would provide for all of your needs.

PRINTING BOXES FOR THE MINISTRY

BY PASTOR JOEL RUIZ

My livelihood revolves around printing materials such as customized boxes for local products. I'm responsible for marketing in the southern part of Cavite and Laguna. I maintain clients for regular box orders and other packaging needs. Since these are repeat orders, I manage the printing schedule through a monitoring calendar for upcoming orders. I enjoy this job because I have control over the process, having mastered it over nearly two decades in the printing industry. I serve my regular clients and occasionally entertain new accounts, alongside my commitment to the ministry.

This industry greatly helps me meet our daily needs and supports my family, especially my daughter's schooling. It's a part-time endeavor that has been a blessing due to how I handle all printing-related tasks.

One of the challenges I face is rush orders, which sometimes require me to be at our warehouse to oversee production. Additionally, the travel time is considerable – I often sacrifice early mornings due to the distance between our warehouse in Mandaluyong and my home in Tagaytay. I also participate in deliveries to places as far as Batangas and occasionally Laguna. At times, I struggle to balance my regular ministry tasks with prioritizing upcoming delivery requests for clients.

Please pray for my continued physical strength, safe travels, efficient production, deliveries, and the provision of funds for each project or order.

TWO DECADES OF HIS GRACE

We praise God for 20 years of His grace as we celebrated our 20th Anniversary last October 16, 2023 at International Soo Jung Missions Centre in Sucat, Paranaque. We were graced by 60 guests, 21 of whom are our local partner pastors. In this event, we aimed at fostering a time of fellowship and a time of exhortation to our partner pastors and their wives through the Word of God.

During the event, our partner pastors were able to reminisce the friendship, fellowship, and faith-driven actions of our late founder, Bro. Titus Laxa. Our guest speaker was Rev. Jessie Arce, who was instrumental in encouraging our late founder Bro. Titus and his wife Sis. Beth to consider ministering to Overseas Filipino Workers' families way back in 2003. He preached on Philippians 1:6, emphasizing God's faithfulness in calling each of us for salvation and for the ministry. We were rebuked, encouraged, and strengthened with the reality that our calling is a privilege from God. After the devotion, the participants had an opportunity to share with each other as to what God taught them in the devotion, and also prayed for one another.

In the afternoon, Pastor Jessie Arce gave a talk on the struggles and strivings of fulfilling the ministry God has assigned, basing his seminar on 2 Timothy 4:5. The talk encouraged the pastors to consider how their ministries affect their loved ones, and on why it is needed for pastors to make preparations for their loved ones should they be called home to be with the Lord.

We also had the opportunity to invite Pastor Noi Barrameda from AMG Skilled Hands Technological College (ASHTEC), our long time partner for our out of school youth program. He was able to share with the pastors on how ASHTEC could be a viable place for their young people to acquire skills and develop their characters to have a better future.

...we aimed at fostering a time of fellowship and a time of exhortation to our partner pastors and their wives through the Word of God.

The anniversary also gave us an opportunity to share with the partners the various impacts of their partnerships through the programs of Kapatid Ministry. Sis. Priya, a sponsored child, shared her testimony, on how God has enabled her to have a good education from kinder to college, partly through the Child Sponsorship Program. Sis. Cath, a former Overseas Filipino Worker (OFWs) in Genting Highlands, Malaysia, shared on how the ministry in Genting brought her closer to the Lord and revived her passion to serve God, even as she is back in the Philippines. Sis. Chicky, our former staff, also gave her testimony, reminiscing on how her time with Kapatid Ministry impacted her life, and has given her motivation to help the upcoming generation in their studies through the Child Sponsorship Program.

Little did we know that the faithful "Yes" of Bro. Titus and Sis. Beth back in 2003 to God's call to reach out to families of the OFWs will lead to 20 years of the existence of Kapatid Ministry.

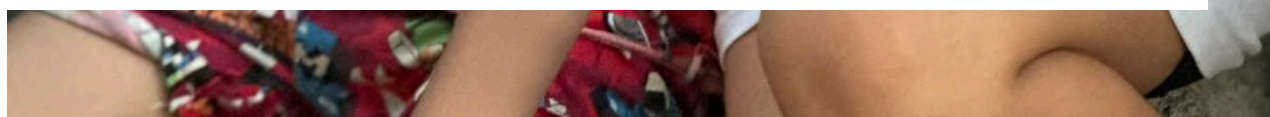

Lastly, in the event, we sought to appreciate the partner pastors, both in the past and present, through the giving of a token of appreciation, consisting of a financial gift and a small pack of rice for each pastor. We are grateful to God for all those who have given to make this possible: an opportunity to bless our partner pastors who have laboured out of love and obedience to our King Jesus, who has called us all to bring the life-saving Gospel to all who need to hear it.

Little did we know that the faithful "Yes" of Bro. Titus and Sis. Beth back in 2003 to God's call to reach out to families of the OFWs will lead to 20 years of the existence of Kapatid Ministry. Since 2003, God has expanded the ministry to include programs for underprivileged youth, children, and senior citizens. KMI Programs over the past 20 years, had led to planting 34 churches in Metro Manila and various provinces. We believe that God is not done doing His work through our ministry and our partnership with you all. We pray that we will continue to grow in our faithfulness in passion, in our perseverance, and in our participation in the work that God has called us to, until His Son, our King Jesus returns.
